DISPUTES AND CLAIMS

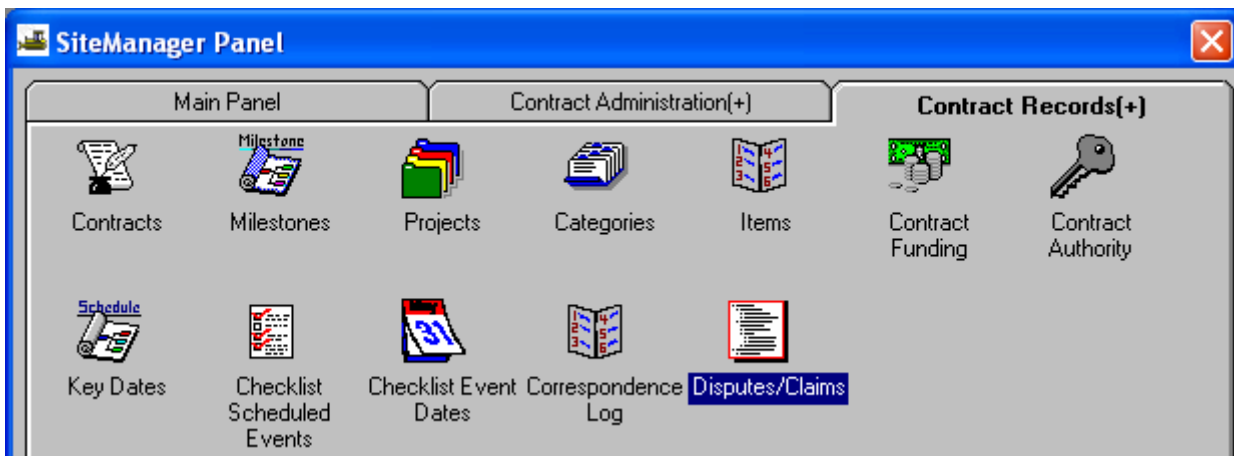

This section deals with claims and disputes the Prime Contractor has with INDOT. Once INDOT has been made aware of a **Dispute/Claim** the basic data entry will be made on the project. This is done to insure that INDOT can resolve the problem early and that a complete record of the resolution is maintained.

From the Main Panel, “double-click” on the **Contract Administration (+)** icon.

“Double-click” on the **Contract Records (+)** icon.

“Double-click” on the **Disputes/Claims** icon.
